The 2nd ADVANCED HEPATO-PANCREATO-BILIARY SURGERY COURSE

Dear Colleagues,

We would like to welcome you to the 2nd ADVANCED Hepato-Pancreato-Biliary (HPB) Surgery Course with LIVE: Art in Liver and Pancreatic Extreme Surgery (ALPES 2020) in Strasbourg.

The meeting will offer an invaluable opportunity to expand professional knowledge and experience in one of the most beautiful Christmas City in Europe. The program provides a platform for delegates to exchange and discuss current research and innovations as well as learn from like-minded peers regarding the highest standards and outcomes of treatments for HPB disorders/cancers.

Sincerely,

Professor Philippe BACHELLIER
